

# ANNUAL REPORT 2017-18

J. B. International School is being run under the aegis of Jamunalal Banshidhar Memorial Educational Society which was established in 2012.

We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

Our students are making school proud with their brilliant efforts not only in the academic field but also in the co-curricular areas.

Reach high, for stars lie hidden in your soul.

Dream deep, for every dream leads the goal.

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

It is the changes that we all go through our lives that constantly improves us. In the voyage of the discovery of excellence in the field of education, our endeavour of keeping the values- Love, Peace, Truth, Non- violence and Right conduct alive in our thought word and action continues.
