JBIS/FEB/School Reopening/03

Date – 12/02/2022

Dear Parents,

Greetings from J. B. International School !!

We are happy to welcome our children back to school. As per Govt. Circular the school is going to open from 16th Feb 22 for regular offline classes of Grade VI to Grade XII. For Pre Primary and Primary classes school will open as per further Gov. Guidelines.

Syllabus for SA-2 is completed and school is preparing for SA-2 now. To ensure the authenticity of exam and to assess the real learning outcomes of our students, SA-2 will be conducted offline at school only. It is possible only with the cooperation of parents.

It is important to know that all the staff members of school are 100% vaccinated and school environment is fully safe and secure.

Following guidelines are to be noted for smooth conduction of regular classes and exams at school -

1. SA-2 starts from 17th Feb 22 for Grade IX & XI.
2. The new session for Grade X and XII will begin from 7th March 22.
3. No student will carry any device like watch, calculator or cell phone in school premises.
4. The students aged between 15-18 years must submit their Covid-19 vaccination certificate on the day of reopening to school.
5. Students of junior classes may need some extra time and effort to accommodate themselves comfortably at school after spending long time at home. Keeping their state in mind, they will be trained at school for exam environment before SA-2. Their SA-2 Time Table will be shared soon.
6. Bus facilities will be started from 16th Feb 22 till the SA -2 ends.
7. Parents should ensure availing of bus facilities before hand by filling the bus pass and submit it to the respective class teacher / bus conductor of the student.
8. Only nominal Bus fees will be charged for this period. (list enclosed)
9. Once availed, complete Bus Fees will be payable irrespective of number of Days.
10. All the assessments are mandatory.
11. In case of any medical emergency submit medical certificate with application duly signed by parents.
